

Can you design a poster or leaflet to encourage people to visit Warton?

Learn head, shoulders, knees and toes in French. Perform it with actions, to your family.

Can you create a Lancashire themed Monopoly Board. Can you make it into a game that can be played?

Make a 3D model of the Tin Forest.

Please choose at least **6 different activities** to complete during this half term. I will be looking at content, research, presentation, handwriting, effort and what your homework can teach the rest of the class. Most importantly, enjoy discovering new facts and sharing them with the rest of the class.

Write instructions on how to brush your teeth.

Create a poster of the different ordinance survey map symbols telling people what they mean..

Research what the place you live in used to look like. How is it different? How is it the same/similar? Why do you think it has changed?

Can you create a comic strip of a folktale you know?

Walk around your local area and write down or draw what different human and physical features you find.

Draw the digestive system. Label what each part does.

Wonderful Warton

Homework is to be in school by:
19th October
