## Friday 18th November 2022

### *Newsletter*

As this week has been focussed on the National Anti-Bullying campaign, the children have been participating in lots of activities promoting kindness. We have delivered lots of sessions about what the term "Bullying" means.

*Bullying is the repetitive, intentional hurting of one person or group by another person or group, where the relationship involves an imbalance of power. It can happen face to face or online.*

As a school family we would appreciate all families supporting this definition and regularly reinforcing it with the children.

The children have also had lots of fun wearing odd socks to celebrate individuality too! I know the Infants have enjoyed making sock puppets to explain this!

The school has also had its annual Open day this week. It was wonderful to welcome so many prospective families to show round our Academy. All the children were so welcoming and enthusiastic to share information about Warton St. Paul's. Such a proud day for all staff and children!

Have a lovely weekend,

Take care Mrs Dean

This week we celebrated ...  
Luna and Logan's birthday!

Our Gospel Value this half term is ...

## Peace

**Inner peace** - it is important for children to learn how to calm themselves down in any range of situation, to cope with a range of anxieties and fears to enjoy silence, becoming more reflective (asking what does that really mean for me?), and cultivating a contented spirit i.e. at one with yourself.

**Peace between each other** - At the beginning of each academic year, the worships led by the Headteacher focus on friendships and being at peace between each other in school. The following themes are explored - making and keeping friends, sorting out arguments, making compromises, letting go of hostile feelings, building bridges, learning how to listen to each other. Some of this is discussed through role play, scenarios and listening to stories.

**Peace in the community** - The theme of peace is developed further to look outwards into the community, respecting differences, listening and talking with those who hold opposite views to you, honoring each other, and finding common ground. Children need time to listen to differing viewpoints and learn respect for each other.

**Peace in the world** - Ultimately, children need to discuss and explore the wider global aspects such as ending wars, working for peace and peacekeeping, talking not fighting.

**Peace with God** - Last but not least, pupils need to learn and be taught about forgiveness, a new start, being reconciled to God; Christians believe that this is where it all must start for true peace be found both inside ourselves and between each other.
