Thank you to everyone who has supported our school this year. It has been a year that we have tried as much as possible to resume normality following lockdowns and the outbreak of COVID-19.

Our children have achieved so much, from starring in productions, working hard for their end of year assessments and making new friendships.

Next year we are hoping to keep growing as a school. We are really excited to be opening a 6th class, creating more opportunities to develop our curriculum and our children's learning opportunities.

In September we will be starting to learn every day from 8:45am. The children will be in line from that time. The doors and gates will shut once the children go into school. Please ensure you allow plenty of time to arrive at school on time.

On Friday 2nd September, there will be a high expectation that all children will be in school on time (8:45am) and in the correct school uniform. As an Academy we will be working closely with our Local Attendance Team to improve our daily attendance, so please could we ask for your support to ensure all children are in school every day, on time.

I hope that all staff, children and families have a lovely relaxing Summer.

Take care,
Mrs Dean
