What a great start we have had to Spring 2! The children have enjoyed learning in Science, Geography and History. It was wonderful to show visitors round school. The children were able to explain what they were learning and were very proud of their achievements. All children have had their homework for this half term, please could you encourage your child to talk about their learning at home. If you are struggling to engage your child in Homework please sign up for the Homework Club on a Monday after school. I know lots of children have benefitted from this provision.

Extra-Curricular clubs will be starting this week so please make sure you have completed the Google Form to give permission.

As a school we will be celebrating World Book Day on Thursday 2nd March 2023, there is information in this week's Newsletter.

Have a super weekend

Take care,  
Mrs Dean
