## Friday 25th November 2022

### *Newsletter*

This week we have been lucky enough to watch the tremendously talented students at Carr Hill. Year 6 thoroughly enjoyed "Matilda Jnr". Miss Dufour and I were so proud of our children for their behaviour on this trip, well done. We were also super proud of past students in the show too!

Reception and Year 1 delivered a fabulous Worship too. I know the staff and parents who watched it were amazed with their ability to speak in front of such a large audience. We have some very confident and talented children in our school family.

Please could you be mindful of children wearing the correct footwear. We have seen a lot of children wearing trainers on non PE days. Please note that this style of footwear is not part of our school uniform.

Next Friday is Non-Uniform day and we will be asking the children to bring in bars of chocolate or bottles of anything for our Christmas Fair.

Have a lovely weekend,

Take care Mrs Dean

## Our Gospel Value this half term is ... Peace

**Inner peace** - it is important for children to learn how to calm themselves down in any range of situation, to cope with a range of anxieties and fears to enjoy silence, becoming more reflective (asking what does that really mean for me?), and cultivating a contented spirit i.e. at one with yourself.

**Peace between each other** - At the beginning of each academic year, the worships led by the Headteacher focus on friendships and being at peace between each other in school. The following themes are explored - making and keeping friends, sorting out arguments, making compromises, letting go of hostile feelings, building bridges, learning how to listen to each other. Some of this is discussed through role play, scenarios and listening to stories.

**Peace in the community** - The theme of peace is developed further to look outwards into the community, respecting differences, listening and talking with those who hold opposite views to you, honoring each other, and finding common ground. Children need time to listen to differing viewpoints and learn respect for each other.

**Peace in the world** - Ultimately, children need to discuss and explore the wider global aspects such as ending wars, working for peace and peacekeeping, talking not fighting.

**Peace with God** - Last but not least, pupils need to learn and be taught about forgiveness, a new start, being reconciled to God; Christians believe that this is where it all must start for true peace be found both inside ourselves and between each other.
