Friday 28th January 2022 *Newsletter*

What another great week we have had in school! Our youngest children have been learning about capacity whilst our older children learnt about mystery crime fiction.

Thank you to all the families who have ensured their child has a PE kit and school shoes, it really does make a difference to our children's learning journey.

We have been very excited to welcome Mr Simpson to our Warton St. Paul's Family. He will be supporting the children across the school but based in year 1. He has spent all week setting up and transforming our old Computer suite to a fabulous sensory room which the children have called our "Rainbow Room".

Once this is completed we will share photographs on our website.

If you haven't already, please visit our new School website

www.wartonstpauls.co.uk

I am really keen to organise another PTFA meeting, if you would like to come along please could you let me know.

Please take care and have a lovely weekend!

Mrs Dean

Well done to Bobby, Barney, Tilly, Esmee, Charlie and Sam

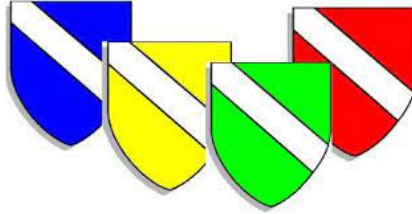

The year group with the best attendance goes to Year 2!

WELL DONE!

We are excited to announce our new bonus afternoons! The aim is to recognise children for always following the school's Golden Rules. Where we encourage everyone to be respectful, honest, kind, positive and safe. So, at the end of each half term we are going to be holding a "Good to be Green" afternoon for all the children who have demonstrated these values. Our first Friday afternoon celebration will be 11th of February ... the children have chosen a film and treats!

It has been brought to my attention by a few parents that our children are messaging each other at home. Whilst we encourage safe use of messaging between friends, I would like to remind parents the need to monitor messages and links sent. There have been some concerns around how safe children are being online. Please could all families ensure they have parental controls on all devices and that you regularly check your child's search history and messages. Also, Snapchat, Facebook and other social media platforms are age restricted to over 13yrs old.
