This week we started the week thinking about "All Saints Day" and how we can all do random acts of kindness like the Saints that we celebrated.

As a school we have been raising awareness of COP 26. Rev Steve led us in Worship inspiring us to think about how we can make a difference. The children have decided that we are going to turn off any lights we don't need, only use one paper towel, and turn off the taps after using them. We are also trying to stop littering in our local community by being responsible in where we dispose of our rubbish.. It would be great if our families and friends could also try this at home too.

Next week is Multi Faith week, please make sure you complete and sign the letter about participating in our Sikh workshop day.

On Sunday all our families are invited to join us in Church for the monthly "All aboard" service. Please join us, the Warton Parish and Bishop Jill at 9:45am.

Take care Mrs Dean

House Points

Congratulations to St. Andrew's team for winning the most points this week.

This week we celebrated ...

Amelia and Ashton's birthday!

Our Gospel Value this half term is ...

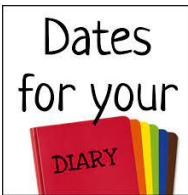

This half term our Gospel Value is "Peace". The children are learning how to demonstrate Peace! Our children are exploring a sense of inner peace. It is important for our children to learn how to calm themselves down in any range of situations. We will promote peace between each other by making and keeping friends, sorting out arguments, making compromises, letting go of hostile feelings, building bridges, learning how to listen to each other. The children will also be learning about Peace in the community, respecting differences, listening and talking with those who hold opposite views, honoring each other and finding common ground. Children will listen to differing viewpoints and learn respect for each other. As a school we will also be looking at Peace around the world. Finally, children will discover what Peace with God ultimately means to Christians.

How to be safe on Bonfire Night

Do's

- Stay far away from the bonfire and fireworks when lit.
- Only light one sparkler at a time and wear gloves.
- Before having an adult light the bonfire, get them to check for any animals hiding in it.
- Keep pets indoors during bonfire night.

Don'ts

- Go near a firework after it's just been lit, even if it hasn't gone off.
- Touch fireworks after they've gone off. Let an adult do that.
- Touch a sparkler after it's gone out, they're really hot!
- Let fireworks off after 11pm. It's illegal!

DID YOU KNOW?

- Fireworks can travel at speeds of over 150mph
- The first recorded fireworks display in England was at the wedding of King Henry VII in 1488
- The average sparkler burns between 1000°C and 1500°C

Autumn 2021 Update

We had our first meeting Thursday 30th September 2021 and we discussed lots of ideas for raising money for our children.

The following events will be arranged during this academic year:

Film Nights
Christmas Fayre
Bedtime Story evening
Year 6 Leavers Prom
Discos
Bingo nights
Summer BBQ
Gardening events
Workshops

The money raised will hopefully provide us with the opportunity to buy our very own school minibus!

This would enhance our curriculum opportunities in visiting places, competing in local events.

All these events and activities cannot take place without volunteers... Please come to our next meeting Thursday 11th November 3:15pm so show your support.
