

Amazing Animals

Share a story about animals. Talk about the characters.
What did they look like?
What did they do?
What was your favourite part?

Opal Class Home Learning Activities

Have a go at some of the activities with your family. You can bring any work into school to show the class by 10th February.

What is your favourite animal?
Draw, paint or make a model of it.
Where does it live?
What is the weather like there?
What does it like to eat?

Can you name some tall animals?
Can you name some short animals?
Can you name a fast animal?
Can you name a slow animal?

When you are out and about with your family, which animals can you spot?
Which animals are in the sky?
Which animals are on the ground?

Write a fact about an animal.
Can you use a capital letter to start your sentence?
Don't forget a full stop at the end.
