3. Barriers	
In-School Barriers (issues to be addressed at school)	
A	Employment of a Support Assistant who provides programmes of support to identified children to reduce / alleviate any barriers to learning. PP children are monitored at least half termly to ensure children are fully engaged with their learning and are making good rates of progress with their learning.
B	Teaching assistant support is targeted and planned to ensure that all children including PP children are accessing quality first teaching and additional support when required. All children's progress, including PP children, is closely monitored. Pupil progress meetings take place each half term and provision closely mapped to meet need. Appropriate action is taken when intervention is required. Outside agencies are procured when further advice / programmes of support needed. NTP to be funded through targeting PP children in Years 4,5, and 6.
C	When required financial assistance is given so that PP children can access all extended learning opportunities such as educational visits and out of school learning activities. Free access to out of school provision has also been granted in some circumstances.
D	Completion of homework to a good standard and handed in on time.
E	Ensuring good rates of progress for all children across the curriculum.
F	Attendance rates are monitored on a half termly basis.
G	Music tuition provided to promote significant talent
H	Out of school provision allocated to support a child in need.

4. Outcomes

Desired outcomes and how they will be measured		Success Criteria
A	Emotional and behavioural problems are a problem for some of the pupil premium children which acts as a barrier to learning. PP children are less resilient learners.	Emotional support provided for all PP children throughout the year in order to ensure that they are able to focus on learning. Observations show that PP children are developing into resilient learners and are making rapid progress. Individual support made available to parents and families when required.
B	PP children working below ARE	Intervention and provision is being imbedded leading to pupil premium making good progress throughout the year. More PP children reaching expected levels of attainment in reading, writing and maths. Develop the teaching of spellings in a structured and systematic way in order to support all PP pupils. Use of IDL Cloud for PP children with difficulties in spelling to support quality first teaching. Additional and some 1:1 support for children in phonics / basic number skills
C	To provide enhanced learning opportunities and support for the PP children as a consequence to limited resources within some families and household	Children to take part in a variety of enrichment experiences to enhance learning and skill development. Such as specialised Sports teaching, Music teaching, Forest Schools and Resilience activities.
D	Access to support with home learning.	Increased numbers of PP children completing their homework and increased one to one reading through the weekly provision of a homework club. This is led and organised by staff and supported by governors of the school. PP children are targeted to attend. Access to computers, school equipment and other learning resources.
E	Challenge for high ability PP children to ensure sustained rates of progress.	More able PP children accessing more challenging texts and reaching a high standard. Q of T improved to ensure that all children are challenged across the curriculum.

F	Attendance for pupil premium is monitored on a half termly basis.	Rates of attendance for PP children in line with other pupils.
G	Music tuition provided by school	To encourage specific talent and support self-esteem and confidence
H	Provide out of school care	To promote social interaction and engagement with peers. Through clubs ran by teaching members of staff.
