

<p style="text-align: center;"><u>Reading</u></p> <p>Look at your school reading book each night with an adult. Log into your Bug Club account and look at an ebook on your bookshelf to earn Bug points. Find your login details in your reading journal.</p> <div style="text-align: right;">  Bug Club </div>	<p style="text-align: center;"><u>Writing</u></p> <p>Use your Phase Two sound mat to write simple two and three letter words and draw a picture to match e.g. cup, mug, mat, cat. Copy the letters and tricky words from your sound mat and try to keep your letters sat on the lines.</p> <div style="text-align: center;">  <small>My Phase 2 Sound Mat</small> </div>	<p style="text-align: center;"><u>Phonics</u></p> <p>Ask an adult to copy out the Phase Two tricky words and ask them to hide them around the house. Go on a tricky word hunt and read them when you find them. Or write them from memory when you find them. Use words: the, I, no, go, to, into</p> <div style="text-align: right;">  </div>
<p style="text-align: center;"><u>RE</u></p> <p>Jesus told lots of stories about the good things God did in the world. Think of a story of your own and tell it to someone at home. Draw a picture of your story and bring it into school to tell your friends.</p> <div style="text-align: right;">  </div>	<h2 style="text-align: center;">Opal Class Homework</h2> <p style="text-align: center;">Have a go at some of the activities and bring them into school to share with your friends before 10th February.</p>	<p style="text-align: center;"><u>PSHE</u></p> <p>How do you feel today? Talk to someone at home about how you feel and what has happened that day. Maybe use some emoji faces to record how you feel everyday for a week.</p> <div style="text-align: right;">  </div>
<p style="text-align: center;"><u>Understanding the World</u></p> <p>What is your favourite animal? Use books or the internet to find out more about your favourite animal. Create an animal fact file with some of the new things you have learnt. You could use junk materials to make a model of where your favourite animal lives.</p> <div style="text-align: right;">  </div>	<p style="text-align: center;"><u>Expressive Art and Design</u></p> <p>Make an animal mask using collage materials. Wear the mask and pretend to be the animal you have chosen. How do they move? What noises do they make?</p> <div style="text-align: right;">  </div>	<p style="text-align: center;"><u>Forest School</u></p> <p>Go on a winter walk. In autumn the leaves on some trees changed colour and fell off. What are the trees like now? What animals can you spot on your walk? What was the weather like? Did you find any frost or ice? Take some photos or draw a picture to share with your friends.</p> <div style="text-align: right;">  </div>
