

What are we learning in Spring Two?

Communication and Language and Literacy

We will be continuing Phase 3 phonics. We will be looking at writing labels, captions and sentences with the sounds that we know. We will be looking at a key text each month and using this to inspire our writing.

Maths

We will be learning about doubling and halving. We will be learning about number bonds to 10 and learning ways to remember them. We will be looking at measuring length, weight and capacity.

Things to remember:

PE - Tuesday

Read book and sign journal every evening

Bring a water bottle to school

Forest School - Thursday PM

Understanding the World and Expressive Art and Design

We will be taking our learning outside to Forest school to find out about the weather. We will also be spending time learning about minibeasts and life cycles. We will be learning about the artist Andy Goldsworthy to inspire some nature art.

RE and Values

We will be learning about Easter. The lead up to Easter is a very exciting time of year! We will be learning about why it is an important time of year for Christians.

What are we learning in Spring Two?

Phonics and Literacy

We will be continuing Phase 5 sounds this half term.

We will be focussing on applying phonic knowledge to write simple words and sentences. We will be looking at letter formation and building fine motor skills.

We will be reading books that will help us to learn different ways to write e.g. to make a list, write a letter or a story.

Maths

We will be looking at number and place value for numbers to 20. We will be looking at multiplication and division by working on doubles and halves. We will be looking at reading and making pictograms.

We will be measuring length and mass and then looking at recognising and using money.

Things to remember:

PE - Tuesday

Read book and sign journal every evening

Bring a water bottle to school

Forest School - Thursday PM
