

What are we learning in Summer Two?

Communication and Language and Literacy

We will be continuing Phase 4 Phonics where we will learn to read and spell consonant blends. We will be using our writing skills to write for different purposes. We will be trying to remember a capital letter and full stop to punctuate our sentences.

Our story for June is 'Storm Whale.'

Maths

We will be consolidating our learning about number bonds to 10. We will be ordering numbers, finding patterns and solving problems. We will also be halving and doubling.

Things to remember:

PE - Tuesday

Read book and sign journal every evening

Bring a water bottle to school

As the weather gets warmer please bring a hat and apply sun cream before school.

Forest School - Thursday

Understanding the World and Expressive Art and Design

Our topic is 'Fun at the seaside.' We will be learning all about what we might see at the seaside using stories, photos and artefacts. We will be learning about animals that live by the sea and in the ocean. We will be exploring different ways to create landscape scenes using collage and different textures.

RE and Values

We will be learning about Stories Jesus told and the things we can learn from them. Our whole school value this half term is courage. We will be listening to stories from Christianity and other faiths to find out more about this.
