

Warton St Paul's

Church of England Primary Academy

A member of CIDARI

*'Believe, Belong, Be the Best that you can Be'*

Thursday 8th June 2023

Dear Parents and Carers,

As you are aware our Academy was inspected by Ofsted in April and their report is now available for you to read.

The Ofsted inspection looked back at the progress we have made since our last inspection in January 2020. As parents you are fully aware of the challenges we have faced in the last three years. However, converting to become a Cidari Academy in September 2020 gave us the support we needed to develop and improve at an accelerated rate, and I am very proud and delighted to announce that we have been graded "Good" as an overall judgement and across all areas.

Ofsted identified that our children "feel happy and safe in school" and "Pupils are keen to welcome others to their school. They embrace diversity". The children have shone so brightly and were an integral part to our inspection, I know as parents and carers you will also be immensely proud of them as we all are.

We are a family at Cidari and we work as an amazing team. Our staff, Governors and Trust have worked tirelessly to ensure that your children are given the tools to "Be the best that they can be". I would like to take this opportunity to thank all the staff for their dedication and care. I am deeply privileged to be the Headteacher of such a very special, talented group of professionals.

This Ofsted report reflects where we are now. However, as Ofsted recognised "Leaders have high expectations of pupils and pupils strive to live up to these". We will continue to have high standards and work hard to make Warton St. Paul's even better, our children deserve the very best education that we can provide.

We thank you all for your continued support on this journey. The encouragement we have had from you all, and especially shown to me since starting as Headteacher, has meant so much to our Warton St. Paul's family. "Parents and carers are overwhelmingly positive about how well staff support their children". As parents and carers dedicated to supporting our wonderful Academy you should be equally proud, this recognition is a reflection on our whole school community. Your positivity and encouragement is greatly appreciated, thank you!

The final report is available to read on our school website and the Ofsted website. If you require a hard copy, please call into the School Office. If you have any concerns or questions regarding this report, please do not hesitate to contact us via school.

Yours faithfully,

Mrs Laura Dean  
Headteacher
