

WARTON ST. PAUL'S WEEKLY NEWSLETTER

FRIDAY 1ST MAY 2026

MRS HODGKINSON'S
WEEKLY NEWS

It has been another wonderful week at Warton St. Paul's, with our children continuing to demonstrate exceptional commitment to our school values. This week, Topaz 5 delivered a super Class Worship on **Truthfulness**, perfectly reflecting our Christian Value for this half term. They truly led us all in being fantastic role models, demonstrating the bravery to stand up for what is right. We also saw three of our classes exploring and learning at Forest School, connecting with nature and developing their teamwork skills. Finally, we are incredibly proud of all the children as the whole school is working very hard to be STARS too. Ask your child to explain.

- Sit smart: Back straight, arms folded, ready to learn.
- Track the speaker: Eyes on the person who is talking.
- Ask questions: Be curious and seek to understand more.
- Respond: Share your ideas and join the conversation.

We hope you have a lovely three day weekend.
Take care, Mrs Hodgkinson.

OUR CHRISTIAN VALUE IS ...

Our focus on the Christian Value of **Truthfulness** encourages our children to look to history for inspiration. We remember inspirational figures like Abraham Lincoln, known as "Honest Abe" for his unwavering integrity, and Mahatma Gandhi, whose philosophy of 'Satyagraha' was rooted in the power of truth. These historical giants stood up for what was right, often at great personal cost. Our children at Warton St Paul's are embracing these lessons as they learn to be honest in their own lives, whether it is owning up to a mistake on the playground or accurately reporting their learning efforts in class. By following the examples of these courageous individuals, our children are becoming strong, truthful citizens who demonstrate the bravery to stand up for what is right every day.
