

WARTON ST. PAUL'S WEEKLY NEWSLETTER

FRIDAY 3RD JULY 2026

MRS HODGKINSON'S

WEEKLY NEWS

This week has been filled with memorable experiences and meaningful reflection! Topaz class had a fantastic time exploring the Manchester Science Museum, sparking curiosity and excitement. We were also privileged to have Rev. Tracy lead our Worship, where she spoke movingly about the importance of our callings and the powerful feeling of pursuing a career because one believes it is God's purpose. Additionally, our students have been working incredibly hard to earn more badges for their St. Paul's Quest—a wonderful achievement for all involved. As a reminder, parents are warmly invited to nominate their children for their own special accomplishments, too!

Please see Class Dojo about Monday and the World Cup activities we have planned.

Have a wonderful weekend,

Take care, Mrs Hodgkinson

OUR CHRISTIAN VALUE IS ...

As our school community reflects on the Christian Value of Courage, it is inspiring to see our older children embodying this virtue as they prepare for their transition to high school this September.

Stepping into a new environment is a significant milestone that requires great bravery, as it involves navigating unfamiliar surroundings, meeting new people, and embracing new challenges. By facing these changes with confidence and trusting in the strength they have cultivated during their time at Warton St. Paul's, our students are demonstrating true courage. We encourage them to carry this spirit of resilience and hope with them, knowing they are ready to shine and thrive in this exciting new chapter of their lives.
