LO: To challenge stereotypical portrayals of people.

Read these statements, which are based on stereotypes. Write a good response to each one that will help to challenge the stereotype. Remember your responses so you can use them in the future if you want to!

If someone said ...	I could say ...
All boys are stronger than girls.	All children are strong in different ways. Girls can be strong too!
Men shouldn't cry.	
All disabled people are sad.	
Women are better cooks than men.	
Old people don't understand computers.	
Girls can't be builders.	
All French people eat snails and sell onions.	
Boys are better at sport than girls.
