

Wednesday 3rd February 2021
LO: To explore complex sentences.

Revise last week's grammar:

compound

The dragon flew through the sky.

simple

The dragon flew through the sky and breathed flames all over the village.

Rewrite this sentence so that the main clause comes first

As the dragons soared through the sky, the inhabitants of Birk ran to get their weapons.

Write 3 complex sentences using the image from the opening scene of How to Train Your Dragon.
