

We are learning how to skip count in 3's.

I can count in groups of 3's to count a group of objects.

I can skip count in 3's from memory.

Counting in 3's

Counting in 3's, write down the value of each box.

Count in 3's and fill in the missing number.

3	6	9		15	18		24	27	
---	---	---	--	----	----	--	----	----	--

	6	9	12		18			27	
--	---	---	----	--	----	--	--	----	--

	6			15		21			30
--	---	--	--	----	--	----	--	--	----

--	--	--	--	--	--	--	--	--	--

How did you find this activity?

Traffic light the circle.
