

This game is like dominoes. Ask an adult to help you cut out the cards and then place them on the board below so that each end is matched with a calculation of equal value.

$3 + 6$	$11 - 4$
---------	----------

$9 + 8$	$5 - 4$
---------	---------

$7 - 3$	$4 + 5$
---------	---------

$10 + 7$	$15 - 2$
----------	----------

$13 + 2$	$6 - 2$
----------	---------

$6 - 5$	$4 + 4$
---------	---------

$10 - 3$	$3 + 5$
----------	---------

$16 - 3$	$12 + 3$
----------	----------
