SPICY

LO To round to the nearest 10 and 100.

Write the tens either side of the given number and mark it on the number line. You can count the steps to see which is the closest 10. Then circle the 10 to which the number is closer.

(Remember, 5 goes up.)

a) 41

g) 89

b) 34

h) 55

c) 12

i) 183

d) 49

j) 367

e) 5

k) 896

f) 67

l) 515

Round the following numbers to the nearest 100.

44 →	95 →
78 →	123 →
16 →	176 →
3 →	299 →
89 →	364 →
32 →	750 →

Multiples of 100					
0	100	200	300	400	500
600	700	800	900	1000
