LO: To investigate the planets in the solar system.

PLANET RESEARCH

Research the major planets in our solar system. When you have found the answers, fill in the planets.

Mercury

Distance from the Sun _____

Length of time for one revolution around the Sun _____

Diameter _____

Temperature _____

Number of moons _____

Venus

Distance from the Sun _____

Length of time for one revolution around the Sun _____

Diameter _____

Temperature _____

Number of moons _____

Earth

Distance from the Sun _____

Length of time for one revolution around the Sun _____

Diameter _____

Temperature _____

Number of moons _____

Mars

Distance from the Sun _____

Length of time for one revolution around the Sun _____

Diameter _____

Temperature _____

Number of moons _____

Jupiter

Distance from the Sun _____

Length of time for one revolution around the Sun _____

Diameter _____

Temperature _____

Number of moons _____

Uranus

Distance from the Sun _____

Length of time for one revolution around the Sun _____

Diameter _____

Temperature _____

Number of moons _____

Neptune

Distance from the Sun _____

Length of time for one revolution around the Sun _____

Diameter _____

Temperature _____

Number of moons _____
