

# Body team work

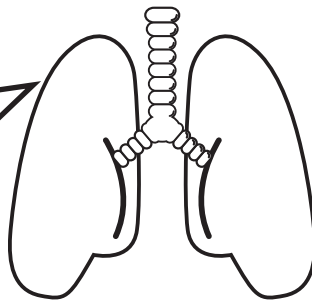

I am the heart  
My job is....

I need....

I am the blood vessels  
My job is....

I need....

I am the lungs  
My job is....

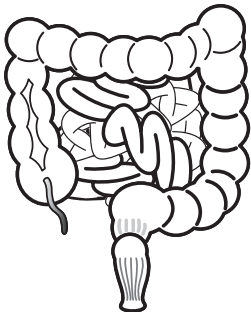

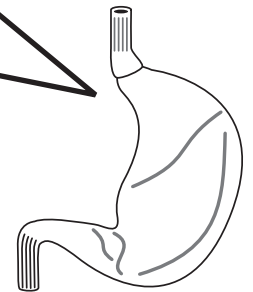

I need....

I am the small and large intestine  
My job is....

I need....

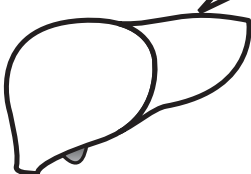

I am the stomach  
My job is....

I need....

I am the liver  
My job is....

I need....

I am the brain  
My job is....

I need....
