

Remote Learning Lessons: Tuesday 19th January

Additional Activities & Maths

Additional Activities

1. Music 🎵

<https://www.bbc.co.uk/teach/school-radio/primary-school-songs-im-a-pirate/zjrtmfr>

For music, can you learn this song and come up with some actions to accompany the song too? If you're feeling brave you can send me a video of you performing it :)

2. Topic: Blubber Glove Experiment!

Make your own blubber glove to see how animals keep warm in the polar regions. (Instructions on the website)

If you don't have any lard, you could experiment to see what would make the best insulator. Why not try using cotton wool, foil, margarine or scrunched up newspaper... Remember to check with your grownup first! 😊

3. Bug Club

4. Phonics Play games:

<https://www.phonicsplay.co.uk/>

5. Tricky Words Songs

Practise your tricky word with some of these songs. Once you've practised the songs, you could play Draw the Teddy / Guess the Word (an alternative to "Hangman"). Ask your grown up to choose a word, and then see if you can guess the correct tricky word before they draw the teddy bear.

<https://www.youtube.com/watch?v=TvMyssfAUx0&list=PLCLKSf1kRDSRP6OCf-lm0wAr2s7Y1LfkO>

<https://www.youtube.com/watch?v=R087IYrRpgY>

For an extension, can you write these tricky words into sentences?

Don't forget your capital letters, full stops and finger spaces and maybe even an adjective too!

6. Times table songs - 2s, 5s, 10s. Here are some examples, however, there are lots of other choices on YouTube:
