

Have a go at as many of the activities as you can. Bring any drawings, writing, photographs or comments, anytime during the half term, into school and we will display them in the children's area in class. We will use them as a discussion point during some carpet sessions so any input would be greatly appreciated.

Miss Yates

<p>Read your school reading book every night, share a story before bed or have a look at an ebook on Bug Club.</p> 	<p>In RE we are learning about Special Places. Could you make a den in your house or garden? Add some of your favourite things to it, make it comfortable using blankets or make a sign for the entrance.</p> 	<p>We are continuing to look at numbers to 20 and beyond in Maths.</p> <p>Can you count to 20, or past 20? Practise writing numbers from 10 to 20 and drawing the correct amount of objects.</p> <p>Write the numbers to 20 and put them in order.</p> 
<p>Use your Phase 3 sound mats to practise recognising, writing and spelling with the letter sounds that you know. Fun ways to practise; letter sound or tricky word Bingo, letter sound hunt around your house, letter sound or tricky word snap.</p>	<h2>Opal Class Summer Term Pick and Mix Homework Activities</h2>	<p>We will be learning about patterns and repeating patterns this half term.</p> <p>Can you make a repeating pattern with things around your house?</p> 
<p>We will be learning about animals and where they live this half term. What is your favourite animal? Where does it live? What kind of habitat does it live in? Can you draw a picture or make a model of your favourite animal and where it lives?</p> 	<p>In Forest School we will be looking for minibeasts. We will be describing them, naming them and learning about where they live. Can you find out more about the life cycle of a butterfly? Draw a picture or make a model of it.</p> 	<p>We have been working really hard with our writing for the past half term at school. Now we need lots of practise to become more confident with it! Can you write a story or some information about your favourite animals? Don't forget to use your robot arms to break up the word, count the sounds and write them.</p>
