

Partitioning with Subtraction

$56 - 45 =$		$92 - 28 =$	
$69 - 47 =$		$64 - 38 =$	
$98 - 67 =$		$53 - 36 =$	
$68 - 42 =$		$72 - 34 =$	
$98 - 46 =$		$66 - 58 =$	
$83 - 41 =$		$93 - 47 =$	

Learning Intentions:

I am learning how to use an empty number line.

I am learning how to split my sums and numbers to make subtraction easier (partitioning).
