Newsletter

The children have had another fabulous week in school. Our older children have started their new topic on World War 2 and our younger children have been learning about taking care of plants.

Amethyst class have been working on a project for planning and costing the new line markings for the rear playground... they have realised the value of money!

We are looking at the planned events for the rest of this academic year and working out the safest way to continue with our Leavers Service and Induction visit. Please keep checking the website for further information.

Due to the latest announcement from the Prime Minister we are still asking all families to respect the safety of others and wear face masks on our premises. Our aim is to stay safe and open.

You will notice that the renovations on the front of the school have started ... This will be an ongoing project but will hopefully improve the appearance of our building.

Have a wonderful weekend,
Take care Mrs Dean

Our stars of this week are ...
Aimielea, Esme, Riley, Jake, Kelci and Tae-Marie

The winning team this week is ...
St. Patrick's

Our Gospel Value this half term is ...

Courage is a core **value** for our Church School because **courage** allows us to stand up for ourselves, others and persevere to overcome challenges. In the Bible, God tells his people to 'be strong and **courageous** and do not be frightened, for the Lord your God is with you wherever you go'.
