Weekly Newsletter

Friday 19th March 2021

This week the children have responded well to their learning and activities. The staff are planning lots of "egg" citing Easter activities for next week.

Please note that School closes on Friday 26th March slightly earlier. Due to COVID guidelines please could Infant children be collected at 2:20pm and the Junior children at 2:30pm. This will help with social distancing around school.

Fundraising for our Forest School Area

The children of Warton St. Paul's deserve the very best from their educational provision, with exciting activities both inside the classroom and outdoors. Due to COVID restrictions we haven't been able to fundraise for the past year from our planned PTFA events. Therefore we have tried to think of different ways that we can fundraise funds for school whilst still following the Government Guidelines.

We are trying to raise money to develop our Forest school area at the far end of the school field. The vision for this space includes a shelter, seating and areas to grow our own vegetables. Our youngest children have already been enjoying Forest school on a weekly basis and this is something we would like the whole school to participate in.

From Monday 15th March, we started to offer Toast to all the children for a small cost. The money raised will go towards our Forest School area. We will run this until Easter, and depending on how popular it is, we will review extending this provision into the Summer Term.

If your child would like to participate in Toast Club then please send in £1.00 with your child on or before the morning of Monday 22nd March. This will ensure your child has toast every day leading up to the Easter holidays (1 week). Thank you to the families who have already paid.

Our Gospel Value this half term is ...

LOVE

Next week we will be celebrating our Gospel Value Heroes in school. These are the children and staff who have been nominated for demonstrating our Gospel Value of "Love". If you would like to nominate a child or member of staff please email your child's class teacher.
