Weekly Newsletter

Friday 26th March 2021

What a different Spring Term we have had in school this year. The staff have appreciated all your support and patience in the changes we have made due to Lockdown. Thank you for all those families that attended our Virtual Parents' Evening, it was so lovely to have the time to discuss your child's learning journey with you.

The Office has now migrated to a new system which is proving to be a lot quicker. Obviously, it is still in its infancy and therefore I am sure you will appreciate there might be a couple of technical issues that we will need to solve. Please continue to contact school through the usual ways, email, and phone calls.

Today we said goodbye to Mrs Hogarth our cook. She has been a valuable member of our St Paul's family and we wish her a relaxing retirement. Thank you for all your hard work.

We all hope you have a safe and relaxing Easter break.

Stay Safe and Take care, Mrs Dean

Well done to you all!

Fundraising for our Forest School Area

The children of Warton St. Paul's deserve the very best from their educational provision, with exciting activities both inside the classroom and outdoors. Due to COVID restrictions we haven't been able to fundraise for the past year from our planned PTFA events. Therefore we have tried to think of different ways that we can fundraise funds for school whilst still following the Government Guidelines.

We are trying to raise money to develop our Forest school area at the far end of the school field. The vision for this space includes a shelter, seating and areas to grow our own vegetables. Our youngest children have already been enjoying Forest school on a weekly basis and this is something we would like the whole school to participate in.

From Monday 15th March, we started to offer Toast to all the children for a small cost. The money raised will go towards our Forest School area. This has been really successful and children have enjoyed taking part so we have decided to extend this provision into the Summer Term.

If your child would like to participate in Toast Club then please send in £7.00 with your child on or before the morning of Monday 12th April. This will ensure your child has toast every day leading up to the May holidays (7 weeks). Thank you to the families who have already participated ... we have already raised over £50.

We will be hosting a Virtual PTFA meeting via Zoom on Thursday 22nd April 2021 at 4:00pm.

We will hopefully be able to plan some exciting events and discuss establishing our PTFA roles.

If you feel you have the time and enthusiasm to offer support and help in fundraising for our children's learning journeys then please email me at wspoffice@cidari.co.uk for the link.
