Weekly Newsletter

Friday 7th May 2021

Today we have been exploring maths as part of our "Number Day". Children have been trying to locate the pieces to the puzzle to find the key for Buddy. Children have worked as a team to solve problems and use their mathematical knowledge. Ask your child about this challenge.

As the children are settling back into the routine of school, it has been lovely to hear that so many have been learning their spellings and reading at home. This is such a vital part of our partnership in your child's learning journey.
