Dear Parents/Carer

A Level Results Day Thursday 13th August, 2020

I am writing to let you know that due to the restrictions still in place for public gatherings, unfortunately this year A-Level examination results will not be distributed to pupils at school in the usual way. Instead we will be releasing results on the morning Thursday 13th August via Go 4 Schools. This is an online software package that the school uses to report pupil results and progress data, as you may remember from the distribution of Mock Exam results earlier in the academic year.

The results will be sent directly to your son/daughter. To view their results via this platform, they will firstly need to create a student account with Go 4 Schools.

In order to do this, they will firstly need to make sure they can access their Waseley Hills School Email account, as this is where Go 4 Schools will send them a link for creating their Go 4 Schools password.

Attached to this letter are step by step instructions for your son/daughter to follow, in order to:

- 1) Log into their school email account
- 2) Set up a student account in Go 4 Schools.

It is vital that both the school email account is accessible and a Go 4 Schools student account is successfully set up by Friday 17th July, in preparation for receiving results on Results Day.

Before the end of term, we will check that all Yr 13 students have successfully completed these two steps, and will send out reminders where this has not happened.

Should you have any difficulties in doing this, please do not hesitate to contact:

Office365Support@waseleyhills.worcs.sch.uk

We will also be sending a paper copy of results in second class post to arrive to you no later than Monday 17th August.

As always Mr Mitchell will be on hand to advise and support students in reaching their preferred post Sixth Form destinations.

We wish all our Yr 13 students the very best for A-level Results Day 2020.

Yours sincerely

Mr A W Roll
Headteacher
