

# Waseley Hills High School

**Aspire, Invest, Respect**

Wednesday, 02 September 2020

Dear Parents and Carers,

We have enjoyed a really successful day in school today with Y7 students. They have experienced the majority of the program that we would've used for transition in the summer, albeit in a condensed manner and speaking to the children today at break and lunchtime they have thoroughly enjoyed their school day!

They have told me about the new friends that made and all of the things they are looking forward to in secondary school; a really bright, smiley start to their school careers at Waseley Hills.

A number of parents dropped the children off this morning at school which is quite understandable on your child's first day at secondary school. Unfortunately, in making arrangements on the school site to keep everyone safe this has meant we've had to introduce some restrictions that we would not normally use.

Please note that we are happy to see parents but at present this can be by an appointment only which can be made by telephoning the school office. Often a phone call with either the Tutor or Head of Year is sufficient to address the problem and we will try to help you in this way first. If you have an appointment during the school day then please use the white doors on the left of reception and the bell/intercom where staff will be pleased to sign you in to school reception.

In addition access to the school site is very limited and parents are not allowed to park in the staff car park or on the main access road from the front gate that runs to the Holywell turning circle. We ask all parents to keep their cars off the school site unless attending an appointment and where parking is required it should be in the overflow car park which is situated on the right hand side at the end of the school access road. I'm sure that you'll understand that this is for the safety and security of all of our students.

Finally, please download and use the WEDUC communication tool on your phone or tablet device. It offers excellent access to school information and regular updates.

We look forward to another successful today tomorrow.

Yours sincerely

A handwritten signature in black ink that reads "A. W. Roll". The letters are cursive and slightly slanted.
