Empowering Learners to Achieve Dreams

Academic Year 2022/23 – May 2023 – Issue 18

Headteachers Message

We have finally reached the end of the half term. Although it has only been 5 weeks since the Easter break it has felt much longer.

This half term Year 6 and Year 2 have completed their end of Key stage SATs. The children have made us exceptionally proud. They have been resilient and have shown great attitudes towards their learning. The Year 6 results will not be accessible for schools until Tuesday 11th July. All KS2 results will be sent on by Wednesday 12th July. KS1 results are not formally released instead form a part of the overall assessment of each child which will be sent out on all child's reports at the end of July. We look forward to sharing the outcomes of these with you.

There has been a buzz for learning around school this half term. I am so proud that our school continues to go from strength to strength – we have so much to celebrate so please take the time to look through your child's class blogs where you will be able to keep up to date with all the learning that takes places on a weekly basis.

I am sure you are all enjoying the sunshine this week and looking forward to some good weather over half term. I hope you all have a good break and look forward to seeing everyone back at school on Tuesday 6 June.

Mrs. Willis
(Head of School)

Water Bottles

Please make sure that your child comes to school with a water bottle. We have water coolers in school for your child to fill up water throughout the day. Classrooms can become warm and it is essential that all children have access to water all day.

Help with Learning

If you require any support with learning, please contact your child's class teacher via class dojo.

Help with Behaviour

If you are concerned about your child's behaviour, please speak with the class teacher or your child's Phase leader.

Help with Safeguarding

If you have any safeguarding concerns, please raise these immediately with Mrs. Willis (DSL) or 01782235100 (Stoke)

Help with online safety

If you would like information on how to ensure your child is safe online, please contact Mrs. Twigg or Mr. Grocott.
