1. Aims

This policy aims to:

- **Provide background information** about the pupil premium grant so that all members of the school community understand its purpose and which pupils are eligible
- Set out **how the school will make decisions** on pupil premium spending
- **Summarise the roles and responsibilities of those involved** in managing the pupil premium in school

2. Legislation and guidance

This policy is based on the [pupil premium allocations and conditions of grant guidance 2022 to 2023](#), published by the Education and Skills Funding Agency. It is also based on guidance from the Department for Education (DfE) on [virtual school heads' responsibilities concerning the pupil premium](#), and the [service premium](#).

3. Purpose of the grant

The pupil premium grant is additional funding allocated to publicly funded schools to raise the attainment of disadvantaged pupils and support pupils with parents in the armed forces.

Our school will use the grant to support these groups, which comprise pupils with a range of different abilities, to narrow any achievement gaps between them and their peers.

We also recognise that not all pupils eligible for pupil premium funding will have lower attainment than their peers. In such cases, the grant will be used to help improve pupils' progress and attainment so that they can reach their full potential.

4. Use of the grant

Our spending strategy is informed by research evidence. As such, all of our activities follow the recommended three-tiered approach outlined within the [guide published by the Education Endowment Foundation \(EEF\)](#). This ensures that all activities:

- Support the delivery of high-quality teaching; informing our cyclical and bespoke staff professional development programmes;
- Provide targeted academic support, such as tutoring; and
- Tackle non-academic barriers to academic success, such as attendance, behaviour and social and emotional support

Through this approach we are assured that our use of the pupil premium and activities align with the DfE's 'menu of approaches'.

Our Pupil Premium Strategy Statement clearly defines our school context and the main challenges our disadvantaged and vulnerable pupils currently face. This knowledge, combined with an in-depth analysis on a case-by-case basis, is used to inform our decisions on pupil premium spending. As such we are able to collectively ensure that we:

- Address a wide range of needs, and take group and individual needs into account
- Engage with parents to take their views on their child's needs into account
- Ensure our school uses its pupil premium as effectively as possible (for example, taking into consideration which interventions will be the most beneficial for our pupils, based on evidence)
- Integrate pupil premium interventions into the curriculum
- Make sure all staff promote the principles and ethos of the pupil premium strategy

Some examples of how our school may use the grant include, but are not limited to:

- Providing extra 1-to-1 or small-group support
- Employing extra teaching assistants
- Running catch-up and keep-up sessions before or after school (for example, for children who need extra help with maths, literacy, subject specific vocabulary acquisition, processing)
- Providing extra tuition where needed
- Funding educational trips and visits

We will publish our strategy statement on the school's use of the pupil premium in each academic year on the school website, in line with the DfE's [guidance on using the pupil premium](#) and using the templates on GOV.UK.

Our pupil premium strategy statement is available here: <https://www.waterside.stoke.sch.uk/key-information/pupil-premium>

5. Eligible pupils

The pupil premium is allocated to the school based on the number of eligible pupils:

Total number of Pupils in School currently eligible for Pupil Premium	126/463
Current number of pupils eligible in Nursery	2
Current number of pupils eligible in Reception	13
Current number of pupils eligible in Year 1	14
Current number of pupils eligible in Year 2	18
Current number of pupils eligible in Year 3	15
Current number of pupils eligible in Year 4	17
Current number of pupils eligible in Year 5	27
Current number of pupils eligible in Year 6	20

Eligible pupils fall into the categories explained below.

5.1 Ever 6 free school meals

Pupils recorded in the most recent October school census who are known to have been eligible for free school meals at any point in the last 6 years (as determined by the DfE's latest conditions of grant guidance).

This includes pupils first known to be eligible for free school meals in the most recent October census.

It does not include pupils who received universal infant free school meals but would not have otherwise received free lunches.

5.2 Looked-after children

Pupils who are in the care of, or provided with accommodation by, a local authority in England or Wales for at least 1 day. Allocations will be provisionally based on the children looked-after data return in March of the previous year, and then confirmed in December of the current year based on the children looked-after data return in March of the current year.

5.3 Post looked-after children

Pupils recorded in the most recent October census who were looked after by an English or Welsh local authority immediately before being adopted, or who left local authority care on a special guardianship order or child arrangements order.

5.4 Ever 6 service children

Pupils recorded in the most recent October census:

- With a parent serving in the regular armed forces
- Who have been registered as a 'service child' in the school census at any point in the last 6 years (as determined by the DfE's latest conditions of grant guidance), including those first recorded as such in the most recent October census
- In receipt of a child pension from the Ministry of Defence because one of their parents died while serving in the armed forces
