

WHAT ARE THE LATEST RULES AROUND COVID-19 IN SCHOOLS?

Since March 2022 when the final Covid restrictions were lifted the UK Health and Security Agency (UKHSA) has advised that COVID-19 should be managed like other respiratory infections, such as flu.

COVID-19 presents a low risk to children and young people. This, combined with high vaccination rates in the population, means there are no longer specific rules relating to COVID-19 in schools, colleges, childcare and other education settings.
