SOCIAL DEVELOPMENT		
Evidence	Purple Mash Activity	Purple Mash Link
Use of a range of social skills in different contexts, for example working and socialising with other pupils, including those from different religious, ethnic and socio-economic backgrounds	Use 2Build a Profile Primary to record evidence of the children using a range of social skills in different contexts, and then tag the observations against the social objectives of SMSC. The ability to take multi-photos and videos allows the entire process of to be recorded easily and quickly. The report can then be printed out at the click of a button to show all evidence on SMSC in the school in a single easy to read report.
