Date for your diary.

Tuesday 19th July 10am -1.00pm.

Drop in Consultation

The Children's Autism Pathway in North East Lincolnshire is being drafted and is now at the stage where parents, carer's and young people are being invited to offer feedback / comments / ideas.

On the 19th July an informal drop-in session has been arranged by NELPPF at the Carer's Centre, Grimsby.

This is your opportunity to now be a part of helping shape and influence services for our children by offering your thoughts and sharing common goals on this new proposed Autism Pathway.

Families and children are welcome to pop in during this session to express your thoughts,

there will be snacks!

Don't worry if you can't make this, we value your thoughts so please feel free to Email us at [nelppf@virginmedia.com](mailto:nelppf@virginmedia.com) or leave comments with this post. Text or ring us 07583474892. Or use our website link above which says 'Contact Us.'

Let us know. <http://www.nelppf.co.uk/>
