Young people can shape governments Cultural Education Plan

Young people can help shape the government's forthcoming Cultural Education Plan. We want to hear from a diverse range of young people aged under-25 across England, from those who have an active interest in culture and creative opportunities as well as those who haven't had many opportunities to get involved.

- Take this 10 minute questionnaire: <https://tinyurl.com/YPculture>.

This questionnaire is open to all young people in England under-25. Respondents will be entered into a prize draw for the chance to win a £50 voucher.

Host a workshop/ nominate a Youth Facilitator

- Young people can also take part in the project by becoming Youth Facilitators, who will receive training and payment to conduct youth-led workshops with other young people who they already know. Workshops must take place by mid-June, with online training sessions scheduled for the next couple of weeks. If you work with a youth advisory group or forum who might be interested in holding a workshop, or if you'd like to nominate an individual young person, please complete this [expression of interest form](#).

For further details please do not hesitate to contact me or my colleague natalia.sawicka@covi.org.uk
