

School Swimming 2017-18

The national curriculum stipulates that all schools must provide swimming instruction as part of the curriculum in either KS1 or KS2. Here at Welholme we provide swimming lessons in Year 3/4.

All schools must provide swimming instruction either in key stage 1 or key stage 2. In particular, pupils should be taught to:

- swim competently, confidently and proficiently over a distance of at least 25 metres
- use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]
- perform safe self-rescue in different water-based situations.

Please see swimming results for the academic year 2017 – 2018
