Subject progression: ENGLISH - spelling

Year & theme	Vocabulary '		Objectives Declarative (I know)
Nursery:	All early spellings are taught through the RWInc programme. All children work at their own developmental stage; at the level appropriate to them.		
Reception:	All early spellings are taught through the RWInc programme. All children work at their own developmental stage; at the level appropriate to them.		
Year 1:	All early spellings are taught through the RWInc programme. All children work at their own developmental stage; at the level appropriate to them.		

	I can add the suffix -ing to root words. I can add the suffixes -ed, -er, -est, -y to the root word.	I know that some root words do not change when adding the suffix -ing. I know that usually the e at the end of a root words has to be dropped when adding the suffix -ing. I know that if the root word ends in an e, that the e has to be dropped before adding the suffixes -ed, -er, -est. I know that if the root word ends in a y, that the y changes to an i before the suffixes -ed, -er, -est, -ing are added. I know that if the root word ends in a consonant, then it is
		doubled before the suffixes - ed, -er, -est, -ing are added.
	I can spell words with the - dge and -ge letter string.	I know that the /dge/ sound can sometimes be spelt -dge and -ge.
Year 2:	I can spell words where the /j/ sound is spelt like as a g. I can spell words where the /s/ sound is spelt as a c.	I know that the /j/ sound can sometimes be spelt as a g. I know that the /s/ sound can often be written as a c –
Y	I can spell words containing the -le letter string. I can spell words containing the -el letter string. I can spell words containing the -il letter string.	especially before a e, i, y. I know that sometimes the /ul/ sound can be spelt as -le, -il, -al or -el.
	I can spell words containing the -al letter string.	
	I can spell words with the /igh/ sound at the end as a y.	I know that the /igh/ sound at the end of words is often spelt as a y.
	I can spell words where the /r/ sound is written as wr. I can spell words where the /al/ sound at the end of a	I know that the /r/ sound can often be spelt as wr. I know that the /al/ sound at the end of the word is written
	word is spelt as -al/-all. I can spell words where the	as al/all. I know that when writing the
	/n/ sound is written as kn/gn.	/n/ sound, the k and the g can be silent.
	I can spell words where the /or/ sound is spelt as -al/-all.	I know that the /or/ sound can be spelt as -al/-all.
	I can spell words where the /u/ sound can be spelt as a o. I can build new words from	I know that the /u/ sound can be sometimes written as a o. I know that suffixes and
	the root word 'jump' by adding affixes.	prefixes can be added to the root word 'jump' and new

		words can therefore be created.
	I can create new words from the letter string -all.	I know that different letters can be added to the letter string -all to create new words.
	I can spell words where the /ee/ sound is spelt as -ey.	I know that the /ee/ sound can sometimes be spelt as -ey.
	I can spell words where the /o/ sound after a w/qu is spelt as an a. I can spell words where the /er/ sound after a w is spelt as -or. I can spell words where the /or/ sound after a w is spelt as -ar. I can spell words where the /zh/ sound is spelt as s.	I know that words where the /o/sound comes after a w/qu can be spelt as an a. I know that when the /er/ sound occurs after a w, it is likely to be spelt as -or. I know that when the /or/ sound occurs after a w, it is likely to be spelt as -ar. I know that the /zh/ sound can often be spelt as a single
	I can build new words from the root word 'watch' by adding affixes.	s. I know that affixes can be added to the root word 'watch' and new words can therefore be created.
	I can build new words from the root word 'word' by adding affixes.	I know that affixes can be added to the root word 'word' and new words can therefore be created.
	I can build new words from the root word 'shop' by adding affixes.	I know that affixes can be added to the root word 'shop' and new words can therefore be created.
	I can build new words from the root word 'happy' by adding affixes.	I know that affixes can be added to the root word 'happy' and new words can therefore be created.
	I can follow the different rules for making plurals.	I know that I can just add -s to some words to make a plural. I know that when the noun ends in a y, I have to change the y to an ie and then I add the s.
	I can add the suffix -ment to verbs to create nouns.	I know that adding the suffix -ment changes the root word from a verb into a noun. I know that the -ment suffix means the result of an action.
	I can add the suffix -ness to verbs to create nouns.	I know that by adding the suffix -ness to a root that a state/condition is created. I know that by adding -ness to an adjective, it becomes a noun.

	I can add the suffix -less to create an adjective.	I know that by adding the suffix -less to a root that an adjective is created. I know that the suffix -less means without.
	I can add the suffix -ful to create an adjective.	I know that by adding the suffix -ful to a root that an adjective is created. I know that the suffix -ful means full of.
	I can add the suffix -ly to create an adverb.	I know that by adding the suffix -ly to a noun or an adjective, that an adverb is created. I know that the suffix -ly means like.
	I can add the suffix -tion to a verb to make a noun.	I know that by adding the suffix -tion to a verb that a noun is created.
	I can build new words from the root word 'count' by adding affixes.	I know that affixes can be added to the root word 'count' and new words can therefore be created.
	I can spell homophones and other words which get confused.	I know that words can sound the same but be spelt differently.
	I can build new words from the root word 'play' by adding affixes.	I know that affixes can be added to the root word 'play' and new words can therefore be created.
	I can build new words from the root word 'cover' by adding affixes.	I know that affixes can be added to the root word 'cover' and new words can
	I can build new words from the root word 'fact' by adding affixes.	I know that affixes can be added to the root word 'fact' and new words can therefore
	I can build new words from the root word 'point' by adding affixes.	be created. I know that affixes can be added to the root word 'point' and new words can
	I can build new words from the root word 'pass' by adding affixes.	therefore be created. I know that affixes can be added to the root word 'pass' and new words can therefore be created.

Year 3:	

I can add the suffixes -ing, -ed, -er to a root word and follow the various rules for this. I can add the prefix un- to a root word, following the rules for this. I can add the prefix dis- to a root word, following the rules for this. I can add the prefix mis- to a root word, following the rules for this. I can add the prefix mis- to a root word, following the rules for this.	suffixes -ing, -ed, -er to a root word and the last syllable (ending with a single consonant) is stressed, that I have to double the last consonant before adding the suffix. I also know that if the last syllable is unstressed, then the consonant letter is not doubled. I know that by adding the prefix un/dis/mis that the root word changes meaning. I know that the prefixes un, mis, dis all mean not (negative).
I can spell words with the - ture sound spelt like tch/ch. I can spell words with the - aught letter string.	I know that the /ture/ sound can be spelt tch/ch. I know that the -aught letter string can sound differently in different words. (or = caught
I can follow the different rules for making plurals.	or arf = laughter). I know that I can just add -s to some words to make a plural. I know that when the noun ends in a y, I have to change the y to an ie and then I add the s. I know that if the noun ends in an o, I most likely have to add-es. I know that if the noun ends in -ey, I most likely have to just add an s. I know that there are different rules to follow for unusual plurals. I know that the prefix re-
I can add the prefix re- to various root words and follow the rules for this.	I know that the prefix remeans again (or back) and by adding this to a root word, its meaning is changed.
I can add the prefix sub- to various root words and follow the rules for this.	I know that the prefix sub- means under (or a level down) and by adding this to a root word, its meaning is changed.

I can add the suffixes -ing,

I know that when I add the

warious root words and follow the rules for this. I can add the prefix super- to various root words and follow the rules for this. I can add the prefix anti- to various root words and follow the rules for this. I can add the prefix auto- to various root words and follow the rules for this. I can add the prefix auto- to various root words and follow the rules for this. I can spell words with -ereletter string. I can spell words with the cent- root. (100) I can spell words with the letter string -ear. I can spell words with the letter string -ear and dithe suffix -ly to various root words and follow the rules for this. I can spell words with the letter string -tene can sound differently in different words. I can spell words and follow the rules for this. I can spell words and follow the rules for this. I can add the suffix -ly to various root words and follow the rules for this. I can add the suffix -ly to a root word that ends in a y, that the y is addedd. I know that when adding -ly to a root word that ends in -le, the -le is changed to an i, and then the ly is addedd. I know that when adding -ly to a root word that ends in -le, the -le is changed to an i, and then the ly is addedd. I know that when adding -ly to a root word which ends in -le, that -ally is added rather than just -ly. I can spell words with the /ay/ sound. I can spell words with the /ay/ sound can be spelt differently in different words. I know that the prefix auto-means against and by adding this to a root word, its meanin	I can add the prefix sur- to	I know that the prefix sur-
meaning is changed. I know that the prefix super- to various root words and follow the rules for this. I can add the prefix anti- to various root words and follow the rules for this. I can add the prefix auto- to various root words and follow the rules for this. I can spell words with -ere- letter string. I can spell words with the cent- root. (100) I can spell words with the letter string -ear. I can add the suffix -ly to various root words and follow the rules for this. I can spell words with the letter string fear. I can spell words where the /u/ sound is spelt ou. I can add the suffix -ly to various root words and follow the rules for this. I can spell words where the /u/ sound is spelt ou. I can add the suffix -ly to various root words and follow the rules for this. I can spell words where the /u/ sound is spelt ou. I can add the suffix -ly to various root words and follow the rules for this. I can spell words with the rules for this. I can add the suffix -ation to various root words and follow the rules for this. I can add the suffix -ation to various root words and follow the rules for this. I can add the suffix -ation to various root words and follow the rules for this. I can add the suffix -ation to various root words and follow the rules for this. I can spell words with the /ay/ sound. I know that the prefix suter means above and by adding this to a root word with the review to a root word with the root know- I know that the prefix suter meaning is changed. I know that the prefix suter meaning is changed. I know that the prefix suter meaning is changed. I know that the prefix suter meaning is changed. I know that the prefix suter meaning is changed. I know that the prefix suter meaning is changed. I know that the prefix suter meaning is changed. I know that the prefix suter means against and by adding this to a root word, its meaning is changed. I know that the prefix suter means against and by adding this to a root word with the rean spell words with the root word. I know that the prefi	various root words and follow	means over (or above) and by
I can add the prefix super- to various root words and follow the rules for this. I can add the prefix anti- to various root words and follow the rules for this.
