

Times Tables Rock Stars

Dear Parent/Carer,

As a school, we are now using Times Tables Rock Stars which is an app that children can access outside of school on their iPad, tablet, computer or phone. All children have been given a personal log in and password and we would appreciate it if you would encourage them to access the app at home, if possible.

It will help all our children to improve their fluency and pace with their times tables, which is fundamental to their maths understanding.

We will no longer be completing the 'Times Tables Challenges' and will instead be giving the children certificates for achieving certain ranks on Times Tables Rock Stars.

If you would like your child's login details, please see their class teacher.

Many thanks!
