

Virtual Christmas Cards 2020

Dear Parent/Carer,

We are aware that a lot of you will now be turning your minds towards Christmas and we have had a few questions sent through asking about sending Christmas cards in to school.

Unfortunately due to the current climate and the nature of the envelopes being a 'lick and stick' situation! We have decided that it would be unwise to participate in this tradition, in school this year.

This does sadden us and we would like to suggest that instead your child writes one card or makes a picture to wish their friends a 'Merry Christmas' and then this is posted through Class Dojo or Teams.

We can't wait to see your 'Virtual Christmas Cards'.

Thank you for your cooperation and continuing support.

Mrs Turrell
