

## Year 6 Residential Visit to Kingswood

Dear Parent/Carer,

The Year 6 residential visit 2020 will take place from Friday 22<sup>nd</sup> May to Sunday 24<sup>th</sup> May, when all the children will depart for an action packed 3 days and 2 nights to Kingswood Activity Centre, Dearne Valley, near Doncaster.

The visit will form part of the children's class work in the spring term and cover essential aspects of the curriculum; we are therefore asking that all children take part in this visit. The parental contribution will be £80 per child. Parent Pay is set up ready should you wish to start making payment by instalments (see attached letter for details). Final payment will be due later on in the year.

A further parent meeting will be held in the new year to share all the finer details. I would be grateful if you could sign, date and return the slip below agreeing that your child will take part in this exciting opportunity.

Many thanks.

The Year 6 Team

---
