

## PERSONAL DEVELOPMENT NEWS

Nothing but the best

20th April  
2024

It has been lovely this week to welcome back our students after the Easter break, refreshed and ready to reset with our new behaviour policy, based on months of work to ensure a robust policy. It has been developed to ensure that all of our students are provided with 'Nothing but the Best', to help create a culture of high challenge and high support. Students have responded well to the policy this week and as usual we are very proud of them.

### THIS WEEK'S THEME: VAISAKHI

Community Centred

Vaisakhi, also known as Baisakhi, is a significant festival celebrated during springtime by Sikhs and Hindus in India and around the world. It marks the beginning of the new solar year, and it holds great significance for both Sikhs and Hindus. As tutor time has been used to go through the important changes in policy and make sure students feel comfortable with them, there has been less time to focus on this theme, but a link has been sent via ClassCharts to enable students to find out more.

Aspirational

### REWARDS ROUND UP

There are lots of opportunities at Wellfield Academy to receive praise for achievements both academically and to reflect personal development such as being a good citizen. This week you may have seen students coming home with stickers or postcards to acknowledge achievements. A summary of some key successes will be sent home weekly too, the first was sent out this week. Please keep checking on this and celebrating successes at home. If your son/daughter is not a winner this week, they may still have made improvements on ClassCharts that can be acknowledged.
