

PERSONAL DEVELOPMENT NEWS

Nothing but the best

15th December 23

This week year 11 exams have continued and we are very proud once again of how students have conducted themselves in these. We have also had a very successful face to face year 9 parents evening this week. It was so good to be able to meet with parents and be able to discuss student engagement and progress, thank you once again for the support of parents which is vital for students success.

THIS WEEK'S ASSEMBLY: INTERNATIONAL MIGRANT DAY

Inclusive

Community Centred

Every year in December, the world marks International Migrants Day, a day set aside to recognise the important contribution of migrants while highlighting the challenges they face. As an inclusive school we felt this was an important day to recognise and this was celebrated by assemblies led by Miss Scott. In these and in the personal development session in tutor time students have seen the positive impact migrants have to the **communities** they join.

INTERNATIONAL
Migrant DAY

COMMUNITY PROJECTS

Last week Mrs Cadman's tutor group ran a fun lunch with lots of different Christmas themed stalls to raise money for the RSPCA. This tutor group have worked so hard from leading assemblies, organising all the activities and then running them to raise £104.10, a great **community** effort.

Miss Taylor's tutor group have been selling tickets to win a Christmas hamper, this is their poster to advertise it. Again it has been a lovely team effort collecting lots of items to create a really lovely hamper and raise money for a great cause Alderhey Hospital

NTA Christmas Hamper Raffle!

Raffle tickets will be available to buy on
Friday 15th December
during tutor time.

Containing lots of Christmas
themed treats.

Donations will be made to
Alder Hey Children's Hospital

**20p a ticket
£1 for a strip**

HOT CHOCOLATE

HOUSE COMPETITION:

Sharman
"Interdum Stellas"

Campbell
"full power"

MacArthur
"a star"

This week hot chocolate with Mr Lewis was with students who have moved from other schools during this school year. These students were a member of our **community** as soon as they arrived but Mr Lewis wanted to meet up with them all and congratulate them on their first term with us. It is not easy changing schools, so well done to these students.
