

PERSONAL DEVELOPMENT NEWS

Nothing but the best

8th December 23

This week has has been the start of Year 11 practice exams. This is a crucial time for these students in assessing what they know and how they need to move forward to progress. It is vital that other students move around school in a calm and sensible manner to enable no disruption. Thankyou to those students who have been supportive of this, and well done to the year 11s for all their hard work so far.

THIS WEEK'S ASSEMBLY: INTERNATIONAL DAY OF PERSONS WITH DISABILITIES

The International Day of Disabled Persons aims to promote the rights and well-being of people with disabilities in all spheres of society. It reminds us that it will take everyone pulling in the same direction to create a society that is inclusive of those people living with disability. As an **inclusive** school, with inclusivity being one of our school core values, we encourage our students to be supportive and understanding of those with disabilities and treat them, as everyone, in the way they would like to be treated.

Community Centred

Inclusive

To raise awareness of this really important theme Mr Fazal has led the assemblies this week with the clear message that we are a school that is inclusive and kind and any disabled people within our school and wider community should be treated with respect.

STUDENT LEADERSHIP: PREFECT TRAINING

Student leadership is important at Wellfield Academy to give our students the opportunity to develop teamwork, communication and confidence. Prefects this week had some additional training to enable them to aspire to perform this role to the best of their ability. We are confident that the students in this position of responsibility will conduct their roles with pride.
