

Wellfield Academy PTFA

Issue 3— Jan 2022

This is just the start of our journey as a PTFA and we already have some really good proposals for spending the money, such as:

- Supporting extra-curricular activities like purchasing make-up and scripts for the drama department, games for the games club and equipment for a gardening club.
- We would also like to purchase outdoor games equipment that the students can utilise at break and lunch times, such as giant noughts and crosses.

Would you like to have a say in how the money is spent?

Then **join us next Thursday 26th January from 17:30—19:15** for the next meeting where we'll discuss and decide what to purchase first. This is an informal meeting, so if you can only join for half an hour then you would be more than welcome.

WOW!!! What an amazing launch event the Christmas Fair turned out to be!

It may have been damp and wet outside but inside our spirits were high as everyone enjoyed the fabulous array of market stalls, a hot cuppa and mince pie and a guest appearance from the man himself—SANTA!

A massive thank-you to all who attended, purchased raffle tickets or had a stall on the day as we managed to raise a whopping:

£1185.65

Check out the next page to see which local businesses supported the event!

The PTFA welcomes all parents, teachers and friends to get involved, be that by joining the committee, helping out at events, donating prizes, or (and this is probably the most important one) by joining in the fun at our events!

For more information please contact: wellfieldacademyptfa@gmail.com

THANK ~ YOU

A massive thank-you to all the **stall holders** that helped make the day a fantastic event.

FM Fragrances —Deb Leighton

Craft & Chat —Carole Higginson
