

# PERSONAL DEVELOPMENT NEWS

Nothing but the best

## 21st July 23

**Welcome** to the final Personal Development Newsletter of this academic year. It has been great to keep you informed about all the wonderful personal development opportunities our students have had this year and we look forward to keeping you informed next year with even more! This week has been all about spending time together as a school community and celebrating the successes of our wonderful students.

### THIS WEEK'S THEME: CELEBRATION & COMMUNITY

Community Centred

Aspirational

### SPORTS DAY

Our annual Sports Day took place and it was great to see so many students involved in competing. Whether the motivation was striving to win, endeavouring to surpass their own personal best or participating to support their team, all involvement was great to see. The sports leaders once again did a great job in supporting this as they have supporting national sports week and primary liaison work this year. There is lots of **aspirational** work within sports at Wellfield Academy.

### BLACKPOOL PLEASURE BEACH

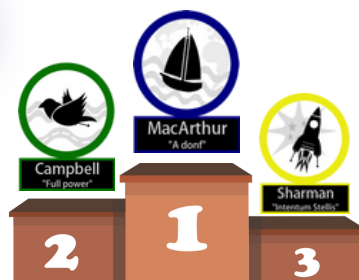

This week around 240 students went to Blackpool Pleasure beach to celebrate the end of the academic year. It was lovely to see so many students spending time together as a **community** and having so much fun.

### IN SCHOOL ENRICHMENT

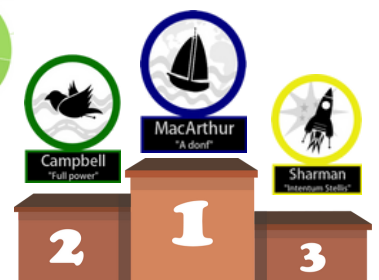

Those students who chose not to go to Blackpool were treated to an in school enrichment day based around the theme of "Around the World". Students enjoyed quizzes, creative tasks and sports activities within this theme. They then spent the afternoon together having fun and building the sense of **community**.

### HOUSE COMPETITIONS

#### SPORTS DAY

#### YEAR HOUSE WINNERS
