

EXTRA-CURRICULAR NEWS

Aspirational

Community Centred

Inclusive

Nothing but the best

July 2024

Wellfield Academy has had a successful year in terms of its extra-curricular provision, with students excelling in diverse activities and opportunities made available to them. Their impressive achievements highlight the school's commitment to fostering talent and promoting holistic development. The participation levels and outstanding accomplishments reflect our **aspiration** and dedication to enriching students' educational experiences beyond the classroom.

AIMS OF THE PROGRAMME

Our **inclusive** Extra-curricular provision allows our students to explore their interests, develop new skills, and cultivate talents in various fields such as sports, arts, and representing our school. Our programme of activities foster teamwork, leadership, and time management, while also promoting physical and mental well-being. Engagement enhances social connections and builds a sense of **community**, contributing to a more enriching and balanced school experience preparing our students for future success, equipping them with essential life skills and a well-rounded education.

RECOGNISING AND REWARDING ACHIEVEMENT

Each term, students who have been awarded **20 achievement points** for attending a club are presented with a badge and certificate. This allows other students to easily identify representatives around school. These students aim to promote attendance to clubs along with answering any questions students may have.

This academic year, we have awarded over **50 badges** to our students as part of our end of year celebrations.

EXCELLENCE POSTCARDS

Students with the highest number of extra-curricular achievement points in each tutor group receive an Extra-Curricular Excellence Postcard. This award recognises their exceptional dedication and contributions, celebrating their commitment and outstanding achievements in various activities beyond the classroom. This information is shared with the whole school community on our notice board on Buttermere corridor.

END OF YEAR CELEBRATIONS

This year, our school has proudly issued a remarkable **3,357** extra-curricular achievement points, reflecting our students' exceptional dedication and engagement in diverse activities. These points highlight the vibrant and dynamic spirit of our school community, showcasing the varied talents and hard work of our outstanding students.
