18th March 2022

Dear Parent,

During this morning's tutor time we have launched our appeal for the Ukraine. From Monday 21st March, we will be hosting lots of activities in school for students to engage with to raise both money and awareness of the devastating impact of war in Ukraine.

This is a topic that students have understandably had strong emotions about and we felt that it was important to get involved to show our support.

We are suggesting a donation on SCOPAY of £3. However, you may wish to make a smaller or larger donation in the knowledge that all contributions will be thankfully received and put to good use. All students will have the opportunity to take part in the events next week, whether a donation has been made or not. Alternatively, you could donate a prize for our Easter Egg raffle and this should be brought into the school office.

Activities next week will include: Walking the miles to Ukraine; Completing a tutor message to the people of Ukraine; Easter Egg raffle; Five-a-side football.

Many thanks for your support

A Scott
