

PERSONAL DEVELOPMENT NEWS

Nothing but the best

3rd March 23

Welcome to the first edition of our new weekly personal development newsletter. We will use this to keep you up to date with the latest events in the Personal Development Curriculum. We hope that you find it useful in keeping you informed as a parent/carers and as a mechanism to enable further conversations about students experiences at school to continue at home.

We would like to take this opportunity to remind parents/carers to download **ClassCharts** and **check it regularly**. If you no longer have the code your child can ask their tutor or you can email enquires. Parents who have not logged on recently will be sent an automated email to remind them of their codes.

THIS WEEK'S BIG EVENT: WORLD BOOK DAY

WORLD
**BOOK
DAY**
2 MARCH 2023

Throughout the week we have celebrated the wonderful world of books. Each **House assembly** has been led by Miss Snowden talking to students about the importance of reading. There has been a **bookswap** and a "**shelfie**" **competition** (involving students guessing the teacher based on pictures of their bookshelves). On Thursday **teachers dressed up** as a range of book characters and they were a sight to behold! Throughout that day students started each lesson with part of a story, the suspense growing throughout the day! If they would like to read more they may borrow "Where the World Turns Wild" by Nicola Penfold, from the school library. World book day is a great opportunity to bring books to the forefront of people's minds but at Wellfield we talk about reading and **encourage reading everyday**. You can support this by encouraging your child to also read at home.

YR7- "BIG PERIOD LESSON" LIVE

Year 7 had a successful interactive session live streamed this week about the Menstrual cycle and expected changes during puberty and girls were given some free sanitary products. Please do continue these vital conversations at home.
